

# Sightmaster 3

Available from June 2016\*

## Stylish spring-mounted snapframe forecourt sign in a range of poster sizes

The Sightmaster range has proved a popular large format display solution - delivering cost-effective tactical promotion in any forefront position. Now, our new Sightmaster 3 provides colour options with **advanced style, stability and performance.**

- Front-opening aluminium snapframes for quick and easy poster change
- High strength ACM back panel, suitable for liquid chalk pens and self-adhesive vinyl graphics
- Unique water-fillable HDPE base with built-in wheels
- Heavy duty spring mounts ensure stability by allowing panel deflection in the wind
- Anti-glare PVC poster covers ensure clarity of message
- Soft round corners for safety
- Ideal for forecourts, entrance approaches, car parks, retail outlets and shopping malls
- Transit trolley available to aid movement when full - 30" x 40" and A0 sizes only (page 38)

Large base designed for use with our transit trolley

Nylon feet reduce wear and increase stability on uneven surfaces

Exclusive design base optimised to deliver significant competitor advantage

Improved corner brackets on 30" x 40" and A0 sizes

Poster Size	Display Area (mm)	Weight (kg) Frame + Base	Availability	Colour	Order Code
